

# WIN THE WAR WITHIN

Whether you realize it or not, you are at war with yourself. There's anxiety. Selfishness. Self-sabotaging tendencies. Narcissism. Depression. There is a war raging within you. But all is not lost. You can win . . . if you choose to engage.

In *I Declare War*, author and pastor Levi Lusko shows how you can fight this battle by declaring war on your thoughts, your words, and your actions. He candidly shares about his own struggles with moodiness, bullying, suicidal thoughts, and night terrors to show how you—with the help of the Holy Spirit—can achieve victory in your life.

It's time to stop being your own worst enemy. It's time to declare war and become the person God intended you to be.
