

IS THE *GOD WON'T LEAVE YOU THERE* BIBLE STUDY RIGHT FOR YOUR GROUP?

Overview

This Bible study helps participants see God's presence and care, even in life's most challenging moments. Through Joseph's story, participants will explore how adversity can shape faith, encourage forgiveness, and reveal God's redemptive plan in every season.

Joseph's story proves that God does not abandon us in our suffering. Despite betrayal, false accusations, and years of waiting, God used those very trials to save nations and restore his family. His story of faith, forgiveness, and grace encourages us to trust God's unseen hand in every circumstance.

Study Structure

This eight-week Bible study on the life of Joseph is designed to help participants get into their Bibles and apply what they are learning to their daily lives. The study begins with a Bible study workshop, taught by Anne, and then moves into the video teaching for sessions 2-8. By the end of the study, participants will move from feeling stuck in their current trials to confidently trusting God's plan.

Typical Session Format (60-90 minutes)

- **Individual Study:** Before each group meeting, participants are encouraged to complete the 5 days of weekly personal study using the 3-Question Study taught during the workshop in Session 1. They will also record their personal Live in Obedient Response statements and be prepared to share any insights and learnings with the group.
- **Group Study:** Participants begin each meeting by sharing reflections on the previous week's individual study, then watch the video teaching. The meeting concludes with time for reflection and prayer.
